ERT POR I LADINS

Mostra collettiva dell'associazione EPL- Ert por i Ladins (Arte per i Ladini) nel 60° anno di fondazione

EPL: un cammino intrapreso 60 anni fa grazie alla visione di don Angel Morlang, sacerdote e artista, che ha voluto radunare artiste e artisti della Val Badia al fine di motivarsi, sostenersi, organizzarsi e promuoversi a vicenda. Numerose sono state le attività e le mostre che si sono succedute in questi decenni caratterizzati da radicali cambiamenti nella cultura, nell'economia e nella società delle vallate ladine.

L'arte, che per secoli è stata asservita alle dottrine imperanti e sostenuta da potenti mecenati, cerca nella contemporaneità una definizione nuova, una dimensione individuale, capace di dare espressione e testimonianza alle sollecitazioni degli eventi storici con cui ognuno si trova confrontato. È prerogativa dell'artista quella di avvertire con maggiore intensità le transizioni temporali, gli interstizi e i grovigli della storia, più o meno celati ai nostri occhi. Vi presentiamo un itinerario tra i pensieri e i sentimenti degli oltre 30 artisti ladini che espongono in questa mostra. Per l'occasione, l'EPL ha esteso l'invito agli artisti delle altre valli ladine, per dare maggiore completezza alla visione del nostro **“Essere Ladini, abitanti delle montagne”**.

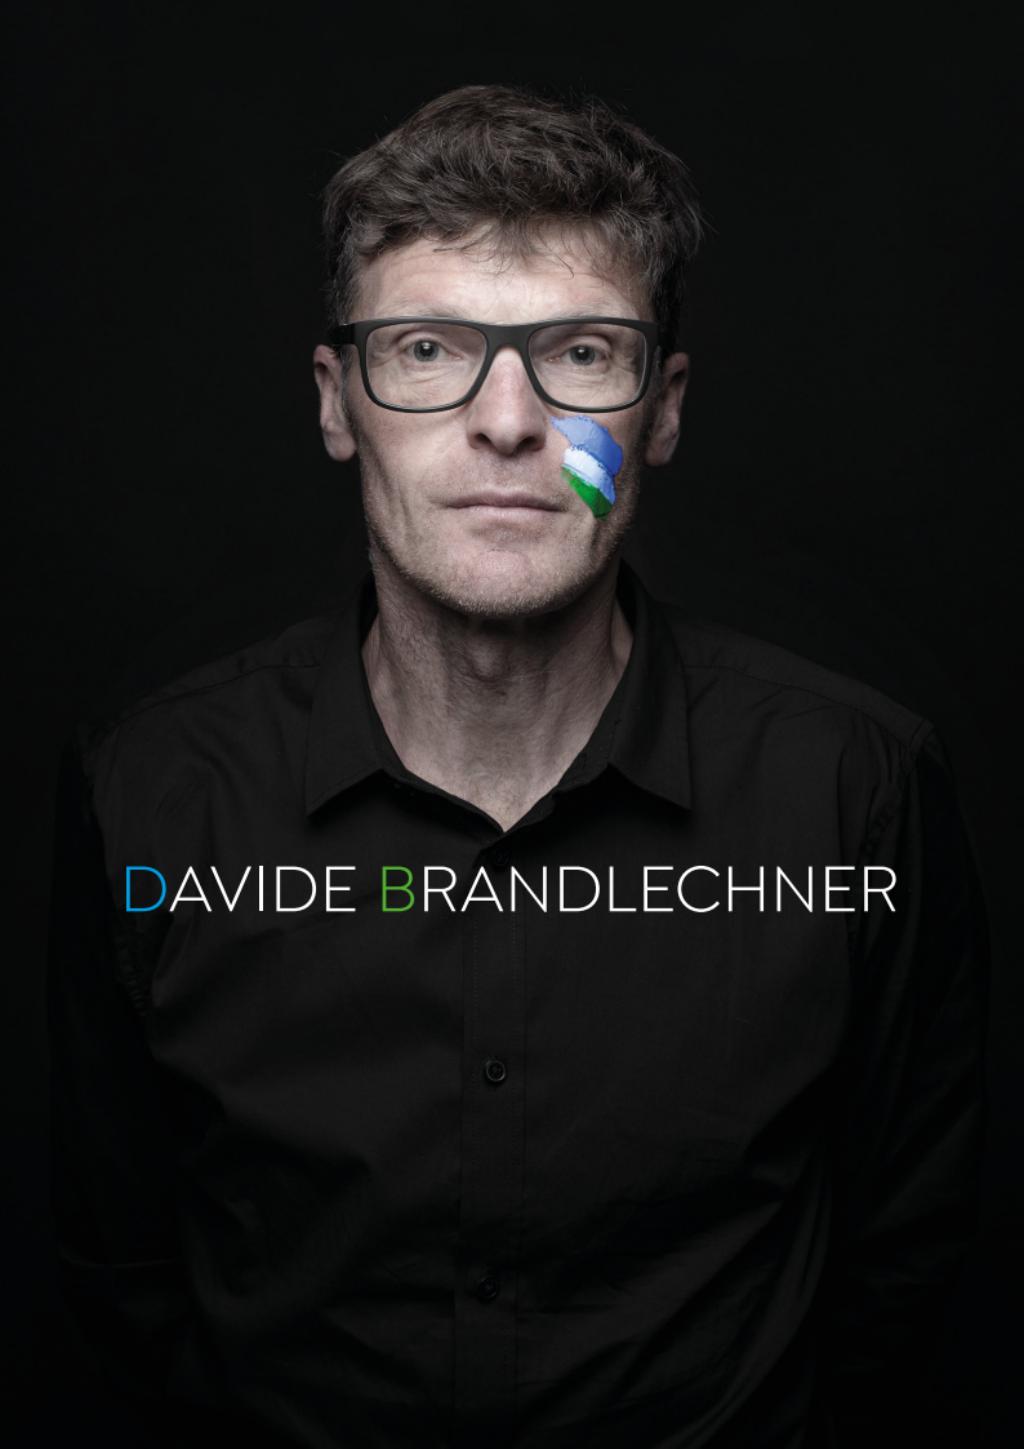

Kollektiv des Kulturvereins EPL-Ert por i Ladins (Kunst für die Ladiner) anlässlich des 60. Gründungsjubiläums

Wegbereiter des Kulturvereins EPL war vor mittlerweile 60 Jahren der Priester und Künstler Angel Morlang, der eine Vereinigung der Künstlerinnen und Künstler des Gadertals anregte, mit dem Ziel, sich gegenseitig zu motivieren, zu unterstützen, zu organisieren und zu fördern. Zahlreiche Initiativen und Ausstellungen haben seitdem stattgefunden, über Jahrzehnte hinweg, in denen die Täler des ladinischen Raums grundlegende kulturelle, wirtschaftliche und gesellschaftliche Veränderungen erfahren haben.

Nachdem die Kunst Jahrhunderte lang von vorherrschenden Grundsätzen und mächtigen Mäzenen bestimmt worden war, sucht sie nun in der Gegenwart nach einer neuen Definition, einer individuellen Dimension, um Ausdruck und Zeugnis der Resonanz jener historischen Ereignisse, mit denen jeder einzelne konfrontiert wird, zu sein. Künstler haben die besondere Eigenschaft, das Gewirr der Geschichte mit ihren zeitlichen Umbrüchen und Übergängen intensiver zu empfinden als andere, denen all dies mehr oder weniger verborgen bleibt. Was hier präsentiert wird, ist ein Einblick in die Gedanken und Gefühle von mehr als 30 Künstlern aus dem ladinischen Raum, die bei dieser Ausstellung beteiligt sind. Für dieses Event hat EPL auch Künstler aus den benachbarten ladinischen Tälern mit einbezogen, unter dem umfassenden Motto „Wir Ladiner, Bewohner der Berge“
